

RealSearch EIN Finder

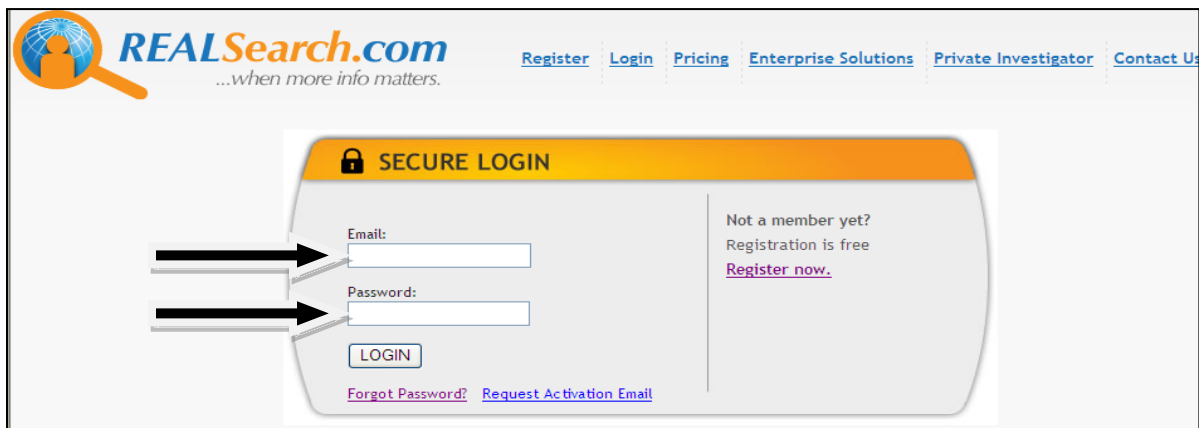

You can access the EIN database at www.realsearch.com.

Follow the instructions below to login and begin to use the search:

1. Select “Login” from the RealSearch home page.

2. Enter the AARP Foundation provided username and password for your state.

RealSearch EIN Finder

3. The EIN search screen is available after logon and there are three (3) ways to perform a search:
 1. By Company Name
 2. By EIN
 3. By Company Phone Number

EIN Database - FEIN Search

By Company Name **1**

Search within State: -- Nationwide --

START SEARCH

TIP: For best results, just enter the first few letters of the company name.
You are more likely to get a match this way.

By EIN **2**

SEARCH

(9 digit EIN with no dashes or spaces)

By Phone Number **3**

SEARCH

(10 digit US phone number with no dashes or spaces)

Please be aware that many large organizations will have more than one EIN and you may need to look through a list or try another one of the three options to narrow your search.

Please contact taxaidetech@aarp.org if you have any problems or questions and use “**RealSearch**” in the subject field to make sure your e-mail is directed to the correct individual for assistance.
